

# PARENT PAYMENT POLICY 2024

## YEAR 11

Dear parent/guardian,

Maribyrnong Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for the college in 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We acknowledge our community's support of these initiatives through levy payments in previous years and ask that families continue to support the College through payment of all applicable levy categories described in the schedule attached. This has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
