ACE PROGRAM APPLICATION FOR YEAR 7 2015

Students entering Maribyrnong College at Year 7 have the opportunity to apply for our Advanced Curriculum Enrichment (ACE) Program. The ACE program is based on select entry for Year 7 students who demonstrate academic skills above those of their peer group.

Year 7 students in the program undertake the same core subjects as other students with enrichment provided by broadening curriculum content as well as allowing in depth study. There is a greater emphasis on higher order thinking and learning skills, as well as independent learning and research. Students in the ACE program will also be expected to participate in extension activities through academic competitions, excursions and school-based activities. Please note that all students in the ACE program are required to have a tablet, iPad or laptop.

Students who wish to apply for the ACE program are required to sit the ACER High Ability Selection Test (HAST). The cost of the ACER test and administration fees is $60 per student. Selection will be based on the results of this test as well as school reports and NAPLAN results. Please include a copy of your child’s Semester Two Grade 5 report and their Grade 5 NAPLAN results with the application.

Applications for the 2015 Maribyrnong College ACE Program will close on Friday 2nd May. No late applications will be accepted.

The tests will be conducted at Maribyrnong College on Monday 12th May 2014, from 9.30am to 12.15pm (Applicants will receive a letter beforehand with further details pertaining to directions and location.).
