13th November 2013

Dear parents and carers

I am writing once again to welcome you to the Maribyrnong College Community and to remind you of our Parent Information Evening that will be held on Thursday 5th December in the College Theatre.

As there is limited seating in the theatre we request that only one parent attend this meeting and that you do not bring your children.

At this event you will be given a package of important information about the College, details about the program for Orientation Day and information about the first day arrangements for 2014.

A number of key staff members will be introduced to you and we will discuss the BYOD program and the Parent Portal. As well, there will be an opportunity to ask questions over a cup of tea or coffee after the formal proceedings.

Enclosed with this letter is information regarding the booklist and the digital eBook bundle. If you wish to order the Ebook bundle, please return the payment advice and order confirmation slip to the College at the Parent Information Evening, 5th December.

Also enclosed is a card with your personal family Bpay details, which can be used to make payments to the College (our preferred method of payment) and your ‘Parent Portal’ logon and password information.

Please feel free to contact the College if you would like further information about this meeting.

Yours Sincerely

Joy Moore
Assistant Principal

Year 7 Booklist 2014

Students commencing in Year 7 in 2014 are able to have all text books on their ipads or another suitable electronic device.

Jacaranda is offering schools a digital eBook bundle which provides students with texts in all of their core subjects. In addition, we have been able to negotiate the Italian text, 'Ciao Amici' for no additional cost. English novels, however, are not included in the package and will incur additional cost. Novels can be sourced through the many eBook stores available or alternatively, hard copies can be purchased at bookshops.

Students must have the necessary apps installed on their device to read the digital texts. In addition, any productivity apps or any other educational apps must be able to save student work as a PDF.

Upon payment of $99 to the school, parents/carers will be able to download their child’s text books through the Parent Portal. eBooks will be on the portal early to mid-January.

To assist parents/carers with the purchasing of a suitable device, we have negotiated with Centre Com to provide parents/carers with a range of products to suit different budget needs. Information and links to Centre Com can be accessed through our website: www.maribsc.vic.edu.au or through their website: www.centrecom.com.au

Please note, that this is an optional service which parents/carers may or may not wish to use.

Should parents/carers wish to purchase hard copies of the text books, enclosed is the booklist. Students will be expected to purchase all text books on the booklist. Families will need to source these themselves. Educational book suppliers which families can access are:

1. Landmarks School Supplies located at 319 Pascoe Vale Rd Essendon 9379 7900
2. Academic Solutionz 54 Station Place Sunshine 9364 8161

Should you have any further enquiries regarding the above information, please contact the College.
