2014 Year 8 Booklist

In 2014, Year 8 students are able to have all text books on their ipads or another suitable electronic device.

Jacaranda is offering schools a digital eBook bundle which provides students with texts in all of their core subjects. In addition, we have been able to negotiate the Italian text, ‘Ciao Amici’ for no additional cost. English novels, however, are not included in the package and will incur additional cost. Novels can be sourced through the many eBook stores available or alternatively, hard copies can be purchased at bookshops.

Students must have the necessary apps installed on their device to read the digital texts. In addition, any productivity apps or any other educational apps must be able to save student work as a PDF.

Upon payment of $99 to the school, parents/carers will be able to download their child’s text books through the Parent Portal. eBooks will be on the portal early to mid-January.

To assist parents/carers with the purchasing of a suitable device, we have negotiated with Centre Com to provide parents/carers with a range of products to suit different budget needs. Information and links to Centre Com can be accessed through their website: www.centrecom.com.au

Please note, that this is an optional service which parents/carers may or may not wish to use.

Should parents/carers wish to purchase hard copies of the text books, enclosed is the booklet. Students will be expected to purchase all text books on the booklist. Families will need to source these themselves. Educational book suppliers which families can access are:

- Landmarks School Supplies - 319 Pascoe Vale Rd Essendon 9379 7900
- Academic Solutionz - 54 Station Place Sunshine 9364 8161

Should you have any further enquiries regarding the above information, please contact the College.
